Dear Sir:

I am sure by now you are wondering what kind of people we are to promise to call you, and then not do so. The reason for the confusion is, we were depending on another team to take care of our exhibition games in the south this month. As things shape up they have not been able to do so.

As a result I am writing to ask you if you would like to have The Eagles play in Durham Wednesday May 2nd. We will be returning from Atlanta Ga. where we play the 29th, and it is possible we will be able to make the stop in Durham.

If the game is arranged, please let me know if we will be able to find someplace to stay there. Also do you want me to order the cards and ship them to you? If so send the information to go on them, the name of the ballpark, time of game, price of admission, (soldiers) is space reserved for white people. The name of your team, etc.

If we play your local team we will expect 40%. Please let me hear from you right away, so I will know what to do.

Very Truly Yours
